

Decorate extend & renovate at The SelfBuild Show, Belfast, 20-22 February 2009

Decorate extend & renovate hosts a stand at each SelfBuild Show in Ireland where we promote the publication to active self-builders, extenders and renovators. No copy of the magazine is ever wasted! Any unsold copies from newsagents are resold to visitors at the SelfBuild Shows in Belfast (Feb), Galway (May), Waterford (June), Dublin (Sept) and Cork (Nov). As you can see, visitors to the shows can purchase the magazine at a very attractive rate! Pictured from left to right: Louise Du Boulay, Sales Development and Anthea Savage, Editor.

The SelfBuild Show at Belfast, 20-22 February 2009. More than 16,000 self-builders, extenders and renovators from all over Ireland attended the show.
